Dedication

Dr. Clayton L. Carpenter is a friend of all, an objective critic of all phases of college life, a man of insight, and a student's idea of an all-round great guy. It is with affection and high esteem that the student body of East Tennessee State College dedicates the 1960 Buccaneer to our friend and professor, Dr. Clayton L. Carpenter.

Dr. Carpenter, affectionately known on campus as "Doc," has by his genial manner, his sincere professional purposes, and his phenomenal understanding of our campus world won himself a permanent place in the hearts of the students of ETSC.

The Panhellenic Council

The Panhellenic Council of East Tennessee State College is composed of the president of each sorority on the campus as well as two elected representatives from the seven national sororities. The officers of Panhellenic are elected from the group. The presidency is rotated among the seven sororities. This year Betty Lou Medlin served as president, Jerry Jarnagin as first vice-president, Nancy Bruce as second vice-president, Carol Faber as recording secretary, Gail Harmon as corresponding secretary, Neta Fuller as treasurer, Jeanette Carmichael as parliamentarian, Maxine Cody as reporter, and Emily Easterly as co-rush chairman.

The main project of the group is the new Panhellenic House which will consist of a room for each of the sororities and a commons room for dancing and other social functions. Other activities of the group include the Panhellenic Workshop and the Panhellenic Dance. This year the Panhellenic Dance featured Les Elgart and was one of the most successful dances ever sponsored on the campus.

Inter-Fraternity Council

The Inter-Fraternity Council of East Tennessee State College is the governing board for the four national social fraternities on this campus.

The Council is composed of two members of each fraternity, one being the president of the fraternity. This year Harry Steele served as president, Jon Earl Bell as vice-president, Gene Moore as secretary and John Fletcher as treasurer. The faculty sponsor for the Inter-Fraternity Council is Dean Calvin Mercer.

The activities of the group include sponsoring a program to orient freshmen about fraternities, sponsoring an I. F. C. Dance, and sponsoring an inter-fraternity intramural program. This year the intramural program, one of the best ever sponsored by the I. F. C., is characterized by keen interest and competition.

Alpha Delta Pi

A sheaf of fragrant, purple violets . . . an adelphean blue nestled close to a glowing white . . . a sacred trust . . . "No standard too high for Alpha Delta Pi" . . . True sister love . . . Its founder Eugenia Tucker Fitzgerald . . . The first secret society for college women . . . clasped hands . . .

All of these spell Alpha Delta Pi—but there are no symbols, thoughts, or words that can capture the feeling of pride that the members of Gamma Phi Chapter have for their sorority. It can best be explained through our motto, with greatest sincerity - - - "We live for each other."

Lambda Chi Alpha

Lambda Chi Alpha was founded on November 2, 1909, at Boston University. Our local chapter, Iota Omicron, was chartered on April 14, 1956, after our local fraternity, Phi Beta Chi, had been colonized into Lambda Chi Alpha a year previous to this date.

Lambda Chi annually sponsors the Starlight Ball at which the Crescent Girl is chosen. This year at the Ball, Miss Patsy Fields was re-elected to serve as the sweetheart for another year. The highlight of the winter quarter is the Lambda Chi Alpha All-Sing program, which promotes competition among the Greeks in both large and small group musical selections. The program is staged for two nights, with the trophy presentations occurring on the second evening.

Lambda Chi was the first fraternity at East Tennessee State College to obtain a fraternity house, as it was purchased in November of 1957. Mrs. Ned Stacy of Johnson City is the housemother. She occupies an apartment in the fraternity house consisting of a sitting room, bedroom, and bath. The house accommodates 30 actives and pledges, and this year the chapter has opened to its members and guests a kitchen and dining room.

Lambda Chi Alpha also boasts first place in Potpourri last spring and the third place "Kentucky Falls" homecoming float in this year's homecoming parade.

Iota Omicron Chapter has been active in service projects as it sponsors parties for area orphanages, programs for churches and civic clubs, as well as other off-campus activities.

The chapter is greatly benefited by an active alumni association and their faculty sponsor, Mr. Emmett Sawyer.

Alpha Omicron Pi

Alpha Omicron Pi Sorority, founded on the principles of love and friendship, had its beginning at Barnard College, Columbia University, on January 2, 1897. On April 16, 1955, Alpha Omicron Pi came to the East Tennessee State College campus.

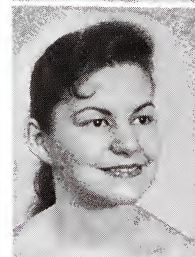

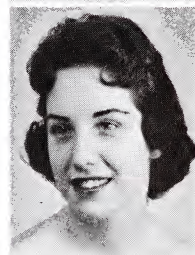

The Jacqueminot Rose, the sorority flower, typifies the beauty of the friendship and fraternal associations among the members of Alpha Omicron Pi.

Sixty-five active Alpha Omicron Pi chapters in the United States and Canada now enjoy the key purposes of the fraternity: friendship, scholarship, leadership, and service.

The sorority activities this year have included first honors in Pot-pourri, an "All Greek" tea dance, philanthropic project for needy children in the Kentucky mountains and Christmas gifts of shoes for needy children in a local school.

The faculty award has been received by the two Past Presidents of Alpha Omicron Pi Sorority.

Phi Sigma Kappa became a national fraternity in 1873 and was founded at Massachusetts Agriculture College in Boston, Massachusetts. The Zeta Tetetron chapter was initiated at East Tennessee State College on December 12, 1954.

Phi Sigma Kappa was the second fraternity on campus to purchase a fraternity house. The house is located at 715 West Maple Street. At present it will house twenty-five men.

The fraternity's activities include various services to the student body, cooperation with local civic groups and an annual Christmas party for underprivileged children.

Participation in campus activities included winning the Wheelbarrow Derby in Homecoming, and first place in the large and small group division of All-Sing.

Alpha Xi Delta

Alpha Xi Delta was founded in 1893, at Lombard College, Galesburg, Illinois. Gamma Theta Chapter marked its first anniversary on February 4, 1957. The golden quill—the colors, double blue and gold—the pink Killarney rose—these are the outward symbols of Alpha Xi Delta. These symbols bind the Alpha Xi Delta sisters into a circle of lifelong friends.

Alpha Xi Delta teaches that friendship can best be taught by service for others. Gamma Theta participates in both local and national philanthropic projects.

For the year 1958-'59, Alpha Xi Delta won the Rotary Club Citizenship trophy awarded for outstanding service to the community and Johnson City.

Alpha Xi Deltas are well represented on campus with the Co-Membership chairman of Panhellenic, 5 members selected for "Who's Who in American Universities and Colleges," "Collegian" editor, "Collegian" society editor, 7 ROTC Sponsors, a Class Pin-up, the Vice-President and three other members of Kappa Delta Pi, and the secretary of Pi Kappa Delta.

House Parties, the annual Rose Formal, a Halloween party for the underprivileged children, a Christmas party for the children of the Speech and Hearing Clinic, and other formal and informal parties make up the Alpha Xi Delta year. Winning first place in the Homecoming Bike Race, second place in the Homecoming Float Contest, and third place in "Pike's Peak" are among Alpha Xi Delta's activities.

Faculty sponsors are Miss Jessie Moore and Mrs. J. Madison Brooks.

Pi Kappa Alpha

Epsilon Zeta Chapter of Pi Kappa Alpha was chartered on the East Tennessee State College campus on May 15, 1955, making it the youngest national fraternity on the campus.

Pi Kappa Alpha's short history on the State campus has been very eventful. The fraternity is active in all school events, their small group winning first place in All-Sing and their bike relay team winning first place in the Homecoming 5-Mile Bike Race.

Pi Kappa Alpha held for the fourth time, "Pike's Peak." This annual event, open to all sororities and this year held during Homecoming, consists of track events, beauty contests, and this year included a "greasy pig" event. The fraternity successfully initiated a new event to the State College campus with its first annual "Car Smash."

Highlighting the Spring Quarter is the annual dinner dance at which time the Pi Kappa Alpha Dream Girl is announced. The present Dream Girl is Miss Janice Kidd.

National philanthropies include support of Gallaudet College in Washington, D. C.—college for the deaf—Carville Hospital, where victims of Hansen's disease are treated, and the project of supplying hearing aids to handicapped, underprivileged children.

Major events for Delta Zeta are the Founder's Day Banquet, Delta Zeta Dream Man of the Year Dance, Mother-Daughter Tea, Father-Daughter Dinner, Houseparties, and campus activities.

The sorority colors are old rose and vieux green; the flower is the Killarney rose, and the jewel is the Diamond.

One of the big events of the year for the fraternity was acquiring a fraternity house. The "Sig Eps" moved into their house, located at 719 West Maple, at the beginning of Winter Quarter.

Other events of the year are: the Sweetheart Ball; Diamond Princess Dinner Dance; Hearts and Diamonds Banquet; and the Christmas Party for underprivileged children. The fraternity was also the recipient of the Rotary Club Citizenship Trophy for service to Johnson City and community and the I. F. C. Cup for outstanding leadership, scholarship, and service.

The 1959 Buccaneers

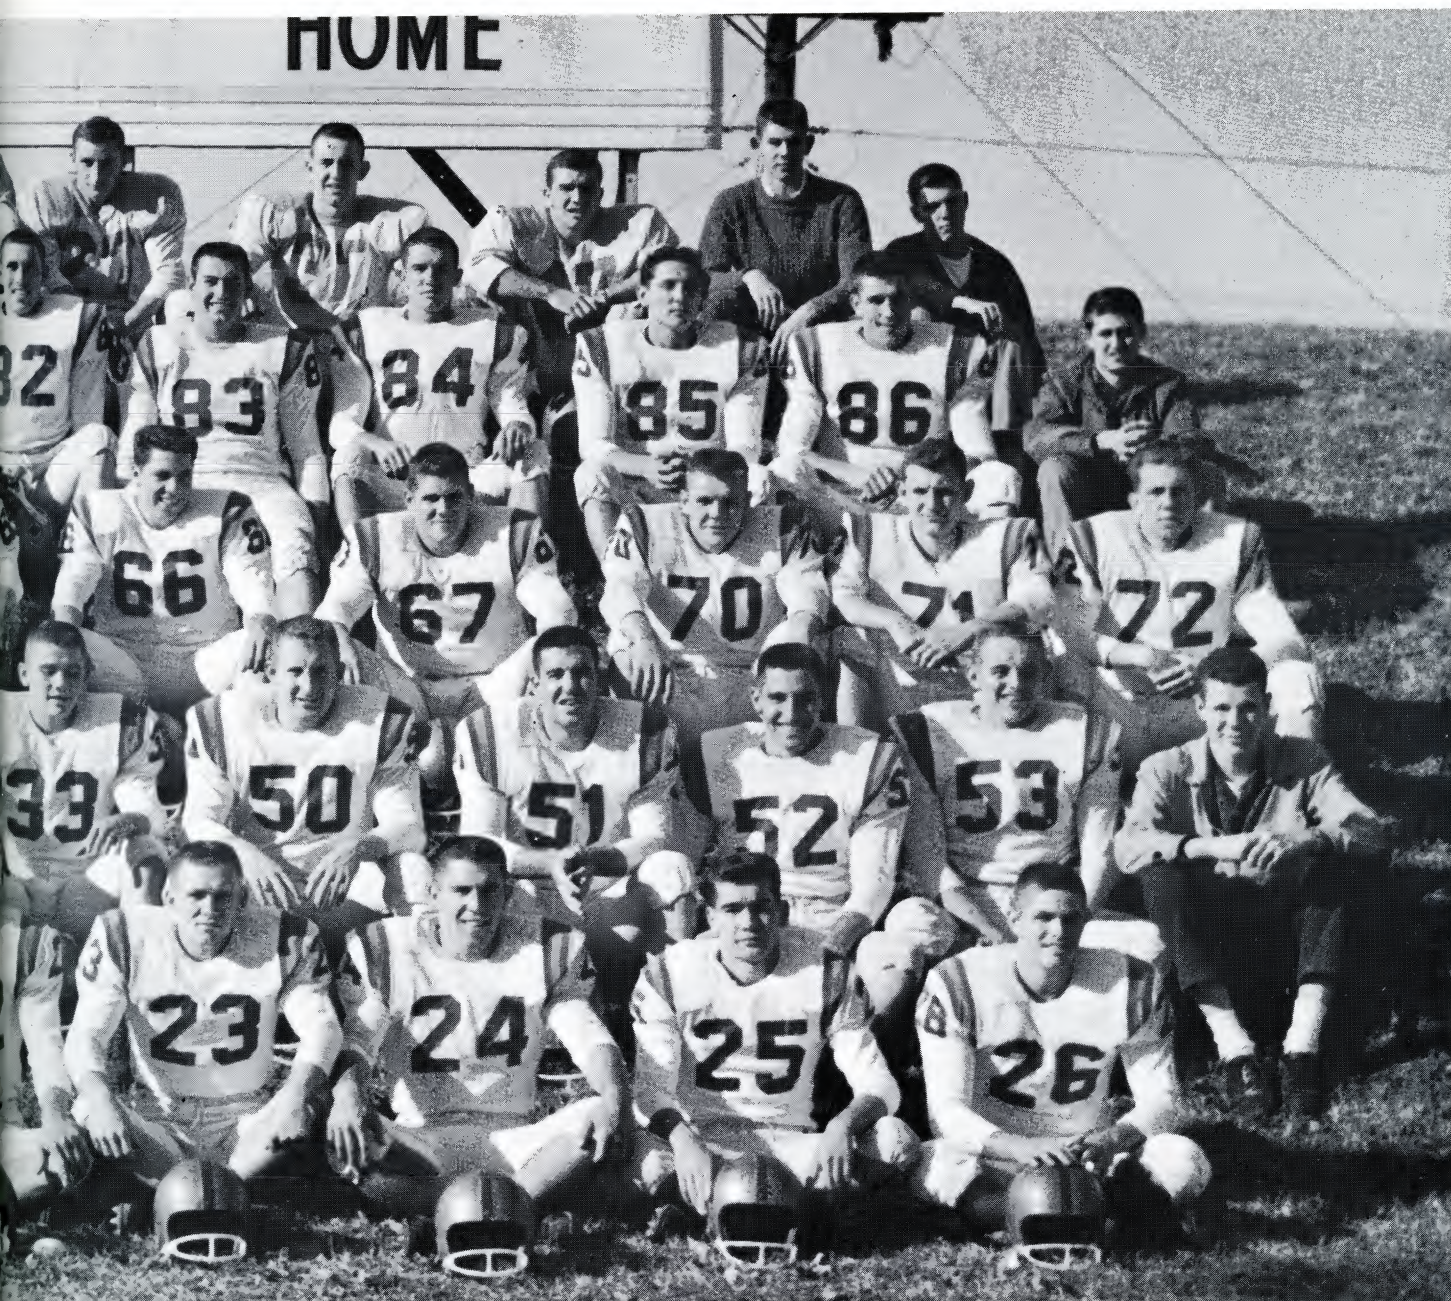

The 1959 season, opening and closing with a conference game, was a fairly satisfying one. East Tennessee was defeated in two conference games and in one non-conference game. The record was six victories and three losses.

State lost to Middle Tennessee and Tennessee Tech in the conference. These two teams finished in a tie for the O. V. C. Championship. Although our team was the smallest in the conference and had little experience over-all, it was rarely outfought.

Some of the outstanding men this year were Raymond James, Darman Place, James Crigger, Larry Ledford, Ronnie Quillen, Wayne Peters, Ronnie Johnson, Tom Ramey, Bill Belcher, Bill Hughes, Ron Brooks, Sam Burnette, Buster Edwards, Jim Cochran, Harry Harmon. Several of the men who played very little in 1959 should be outstanding players in 1960.

Darman Place was voted to the All-Ohio Valley Conference team and Raymond James was elected the most valuable player by his teammates. James led the conference in kicking until the last game, and he was one of the leading groundgainers in the Ohio Valley Conference.

Seniors on the squad include Darman Place, Raymond James, James Crigger, Joe Dixon, and Burgan Revell.

ETSC Basketball

The 1958-'59 Buccaneers coached by Madison Brooks were the recipients of the George Mikan Award as the nation's "Most Improved Major College Basketball Team." The Buccaneers showed a rating increase of 18.5 coming from 38.9 in '58 to 57.4 in '59. Their first year in the O.V.C. they had a worksheet of 13-9 as compared to the 7-18 record of the previous year. They moved up in the national rankings from 466th to 138th.

With the Mikan award in the trophy case and a season's experience in the OVC behind them, the 1960 Buccaneers were looking forward to a successful 1960 season. The first big blow to the Bucs came when Hugh Jenkins, 6'6" pivot man from Knoxville failed to return. This left the Bucs without an experienced center prospect. Other injuries that plagued the team were the loss of Captain Tom Wright and Sophomore center Adrian Coulter in the same game.

The season was not, however, uneventful. The Buccaneers in the Watauga Tournament defeated a tough opponent, University of Mississippi. They were defeated in the finals by V.P.I. Their win over Old Miss was one of the upset wins of the year.

Tom Chilton, all-OVC Forward and Honorable Mention All-American, was the outstanding member of the team. He led the O.V.C. in scoring and broke several school records throughout the season. He scored 42 points against MTSC to set himself a new scoring record. Jim Brown and Tom Wright were other outstanding members of the team.

Despite a worksheet in the deficit column, the 1960 Buccaneers were scrappy and seldom outfought. With Morrison, Brown, Chilton returning from the starting five, and a crop of prospective freshmen, Coach Brooks is looking forward to a brighter 1961 Season.

The ETSC net-men finished the 1959 season with 9 wins and 3 losses; losing once to U. T. and twice to Carson-Newman. The Bucs came out third in the O. V. C. Tournament at Bowling Green, Kentucky, by virtue of Buddy Hartsell's second place win.

Wilson, Smalling, and Hartsell were outstanding for the 1959 team. For the 1960 season the Bucs, with four returning men, have their sights set on the 1960 O. V. C. Championship.

Baseball

The Buccaneers opened their '59 Baseball Season with a win over Slippery Rock, Penn. 6-3. Then Eastern Kentucky came to Johnson City to take two big O.V.C. wins from the Buccaneers 4-3 and 11-3. State broke back into the win column by beating Morehead 7-6, Maryville 7-6, and Milligan 9-0.

Leading the hitting attack for State in the first six games were Cowan, Riddle, Burgamy, and Kelley. From this point on State won 4 while dropping 7. This gave them an over-all worksheet of 8 wins and 9 defeats.

Top batting averages for State were 398, Gene Cowan; 350, Colden Burgamy; and 345, Tom Riddle. Pitchers Rambo and McNutt won three games each for State. Rambo is a right-hander and McNutt a southpaw.

Track

The ETSC Track Team, facing strong competition, finished 4th in their second year in the Ohio Valley Conference. In non-conference meets, individual scoring was good.

The Bucs had a successful outing at the 2nd Annual News Piedmont Relays at Furman, bringing back two trophies. ETSC won two of the four relay events, taking the 880 with a 1:39.5 performance, and the sprint medley with a 3:35.5 performance. The 880 team consisted of Don Evans, Don Snyder, Dick Pectol, and Don McDonald. The sprint medley team consisted of Don Evans, Tyson McClanahan, Gordon Nidiffer and Bob Hodges.

In the OVC Conference Meet the Buc cindermen placed fourth, missing third place by 1½ points. The outstanding State win was Tommy Hale's 10:26.5 time in the Two-Mile.

The loss of Tommy Hale, who was counted on very strongly in the distances, will hurt the 1960 aggregation; but the outlook is brightened by several prospects who may prove valuable to the team.

Men's Intramurals

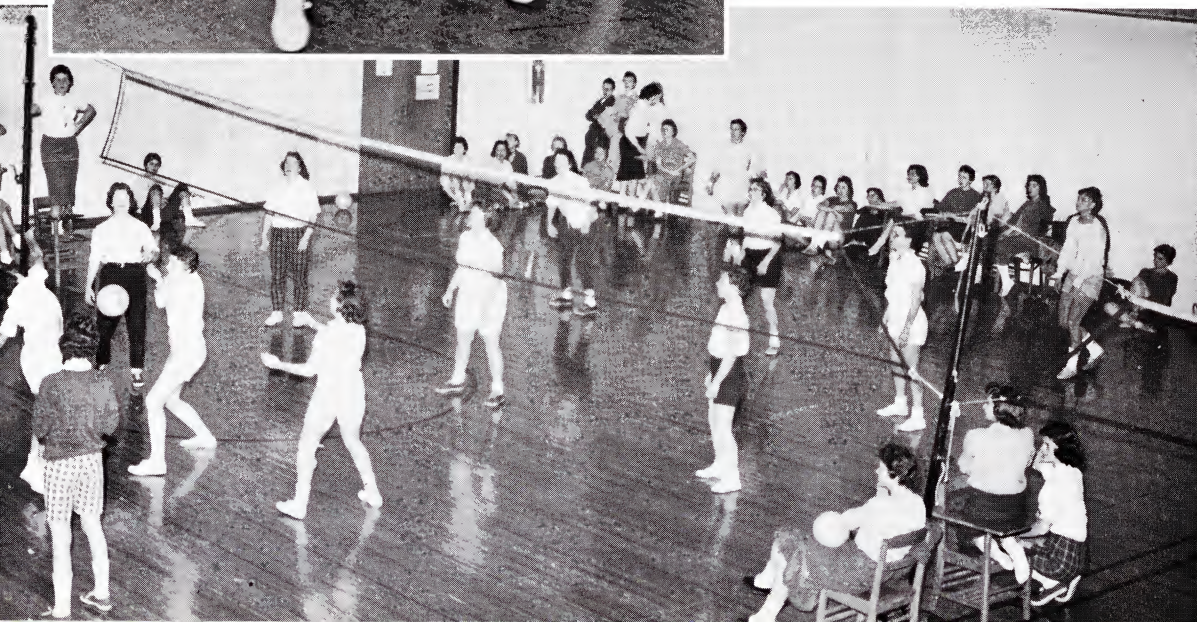

Women's Intramurals

Women's Intramurals have reached a new high on the State College campus. Participation increased as well as the number of activities offered. This year fencing and golf provided new interests for the women students. Of course, the regular sports were also available: basketball, volleyball, modern dancing, badminton and other provided activities for the extra-curricular program for our campus. The Phi Eta Tau Basketball Tournament was also held this year as was the Volleyball Tournament.

ROTC At State

The primary mission of the R.O.T.C. is to develop qualified Reserve Officers for the Army and for our Nation's defense. The program of instruction requires four years to complete, with the first two years, or the Basic Course, being mandatory for all male students of the College. Those Cadets who possess essential leadership potential and the highest mental, physical and moral qualities, are offered the opportunity to pursue the two-year Advanced Course. Upon completion of the Advanced Course requirements and graduation from the College, the senior Cadets are commissioned as Second Lieutenants in the United States Army Reserve.

The Corps is organized into one regiment of two battalions, each with five companies. Portrayed on these pages are varied activities sponsored by the Corps.

The Classroom instruction periods, weekly drill and attendance at summer camp for six weeks at the end of the third year serve to develop the required officer qualities in the student.

The uniformed Cadets serve to enrich and make more colorful the campus life of State College.

School of Education

The specific task of the School of Education is teacher training.

Students enrolled in almost every department of the college may receive training for the teaching profession. The school strives to magnify the importance of the abundance of essential knowledge, both cultural and academic, in the minds of the students. Another desire is to encourage full study in the prospective teachers' fields of concentration. Both on the undergraduate and graduate levels, the School of Education endeavors to provide appropriate training and directed instructional experiences vital to the backgrounds of future teachers.

The East Tennessee State College Training School is one of the attractive features of the department. There, under the well-qualified supervising teachers, students spend twelve weeks observing, guiding, and teaching pupils just as they will find in their own school rooms in the years to come.

East Tennessee State College, through the School of Education and with the cooperation of the other schools, is planning and working seriously to refine the teacher preparation program in the hope that quality of all offerings will be unmistakably excellent.

The training of the individual according to his interests so that he may develop into a well-adjusted, well-informed citizen who will contribute something to his community, is the aim of the School of Arts and Sciences.

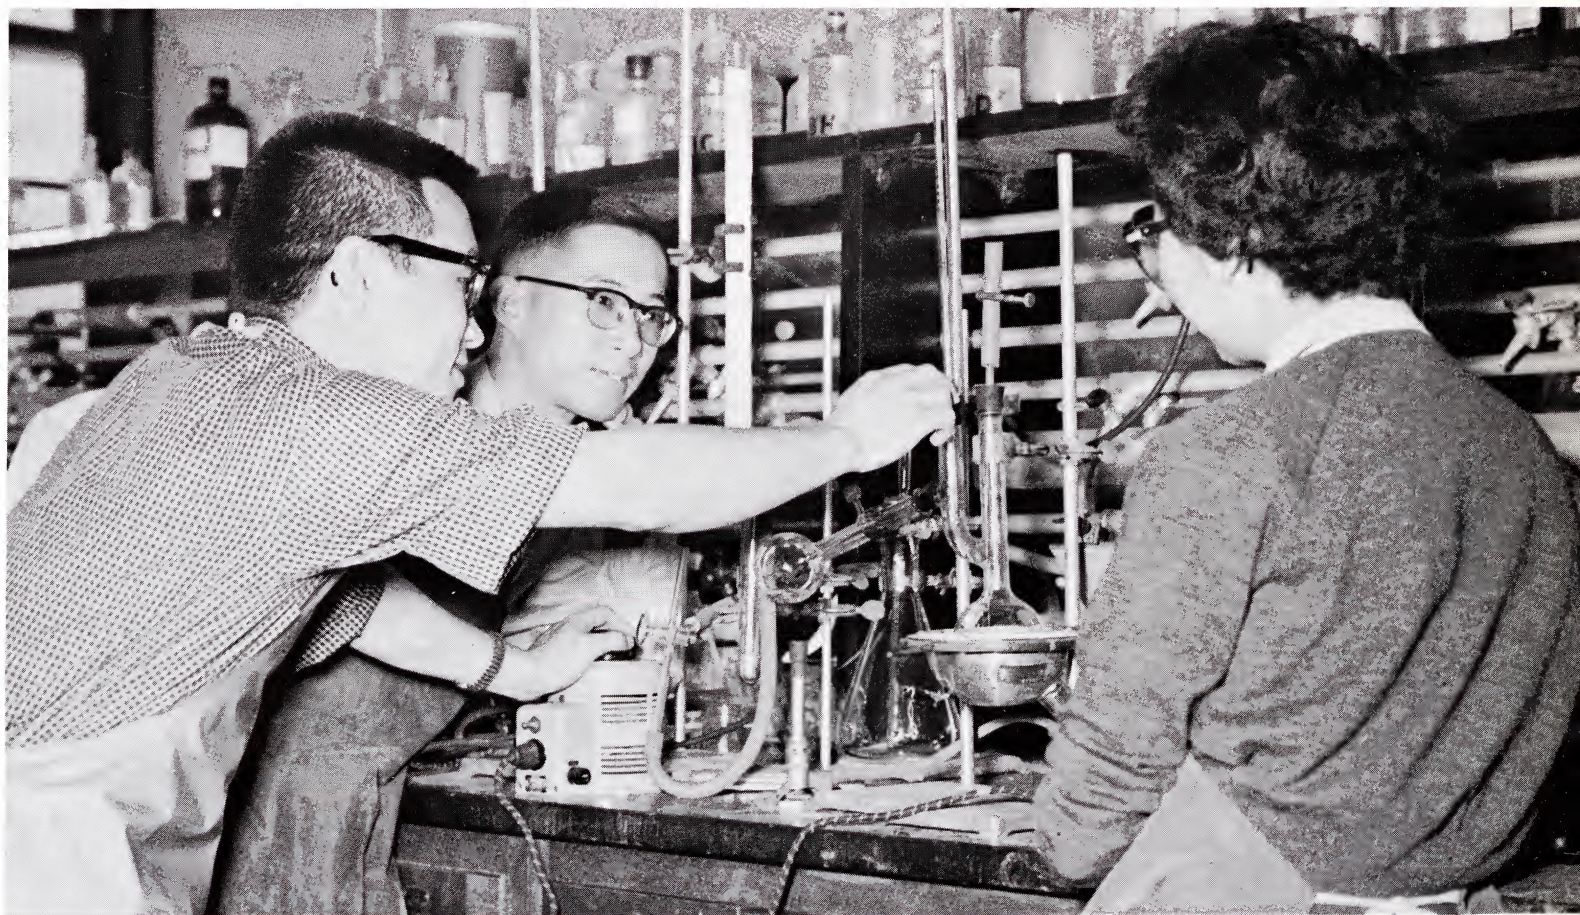

The main objectives of the school are: (1) to provide a good academic background for the training of teachers, (2) to give preprofessional training in Medicine, Dentistry, Pharmacy, Law, Engineering, and many other areas, (3) to give a well-rounded liberal education to everyone.

The Departments are: Art, Biological Science, English, Foreign Languages, Geography and Geology, History, Mathematics, Music, Physical Science, Political Science, Sociology, and Speech and Drama.

The School offers two degrees. The Bachelor of Arts degree, which requires a foreign language, is the standard degree, and the Bachelor of Science degree which does not require a foreign language.

Business Administration and Economics

The School of Business Administration and Economics was organized to provide its students with an opportunity to acquire a broad knowledge of the internal problems of business organization and control as well as an understanding of how business may be affected by the complex forces in the economic framework within which it operates. For this reason, emphasis is placed on the development of a well-rounded knowledge of business fundamentals and an appreciation of the structure and processes of the American economy.

In addition to the regular program of instruction, conferences, workshops, and seminars, special events are held on the campus throughout the year with the cooperation of national and local professional and civic organizations. In conjunction with these meetings, distinguished educators and leading businessmen from all parts of the nation enriched the educational opportunities available to students, and extended the influence of the School throughout its service area.

Nursing

The East Tennessee State College School of Nursing offers a degree of Bachelor of Science in Nursing. This School, in conjunction with Memorial Hospital and Holston Valley Community, is the first of its kind in the East Tennessee area.

For some time interest in a degree program had been expressed by the officials of Memorial Hospital School of Nursing and the administration of Holston Valley Community Hospital, area medical and nursing organizations, and interested individuals. After much study and planning by these groups in consultation with members of the Tennessee Board of Nursing and directors of similar degree programs, East Tennessee State College, in collaboration with the area hospitals, established the School of Nursing, September 14, 1954.

It is the purpose of the School of Nursing to develop nurses who will be qualified professionally to give competent nursing care to the sick, who can function adequately in sociological health and preventative medicine programs, and who can effectively contribute to an everchanging society.

Mrs. Maria B. Hawkins
Director
